

DESCRIPTION:

Electa is the new Inglesina System that follows the growth of the child from birth to 22 kg (4 years), from nap to stroll.

PAY OFF:

A Star in the City

S.P. :

The ideal system for city life. Thanks to its lightness and compactness, it can be taken everywhere, without ever neglecting the well-being of the child.

WHAT IT INCLUDES:

- (A) Open Up carrycot
- (B) Welcome Pad® + mattress
- (C) Stand-up
- (D) Chassis
- (E) Stroller seat

(A) OPEN UP CARRYCOT

DESCRIPTION:

Pram with generous internal dimensions 79 x 37 cm for babies from zero to approx. 6 months.

MAIN BENEFITS:

- **Guarantees maximum well-being for the child:**
 - This carrycot is equipped with five ventilation windows, each with its own independent opening, allowing you to adjust the airflow inside and ensure the baby's temperature is properly regulated in any weather.
 - The windows also allow you to keep an eye on the baby from every angle, while encouraging their interaction with their surroundings
 - Thanks to its internal dimensions, it allows the widest possible use time, even in the winter months, when the child is wrapped in overalls or padded sleeping bags.
 - The backrest can be reclined in different positions to facilitate digestion after feeding.
 - The base has ventilation holes to ensure optimal airflow inside the carrycot, helping to prevent moisture buildup.
 - Hood in anti-UV (UPF 50+) treated fabric with removable sun visor for shielding against direct sunlight even when the sun is low on the horizon.
- **It is easy and practical to use:**
 - It is easy to transport thanks to its lightweight design and the practical handle
 - It easily detaches from the chassis or stand-up through a convenient central mechanism.
 - The canopy can be easily opened and closed with one hand, thanks to the centralized "Quick Connect" control.
- **It enables comfortable and safe travel:**
 - The rigid polypropylene shell protects the baby from accidental knocks and bumps.
 - The carrycot is fitted with an indicator showing correct attachment to the chassis or stand-up support for greater safety.

ADDITIONAL BENEFITS:

- Inside in soft breathable jersey fabric, completely removable and washable by hand at 30°C.
- External lining in padded fabric, for improved heat insulation, completely removable and washable.

SYSTEM ELECTA - SYSTEM DUO

- Apron to protect your baby from the wind and cold.

Optional accessories for the CARRYCOT:

- **Mattress lining** - a bamboo fibre fitted sheet, designed specifically to fit the Welcome Pad®.
- **New-born footmuff** - accompanies you during the coldest months, ensuring your baby stays snug and warm while providing ideal protection in the harshest weather.
- **Rain cover** - protects your child against the rain, but also from excessive cold and snow.
- **Mosquito net** - prevents tiresome insects from disturbing your baby's sleep.

TECHNICAL INFORMATION:

Structure material:	polypropylene
External lining material:	polyester
Inner lining material:	jersey fabric
Weight:	4.9 kg
Internal dimensions:	79 x 37 x 22 cm (length x width x depth)

(B) WELCOME PAD® + MATTRESS

DESCRIPTION:

The Welcome Pad® derives from the "START MATT" medical device (designed by Inglesina in collaboration with the department of Neonatology of the Maggiore Hospital of Bologna) and was made in observance of the latest scientific well-being and safety guidelines. In combination with the mattress, on which it is laid, it creates a very important ergonomic support during the delicate phase of the first months of life of the child.

BENEFIT WELCOME PAD®:

- Promotes lying on the back and alignment of the spine.
- Gives the baby the surrounding and protection they need, especially in the first 7-9 weeks of life.
- Helps keep the airways aligned.
- Can mitigate the risk of plagiocephaly (flat head syndrome).
- Adapts to the growth of the baby, thanks to the adjustable wedge for supporting the legs.
- It allows the temperature and sweating of the baby to be controlled, thanks to its 3D mesh structure coupled with foam padding and bamboo fibre lining, which is highly breathable, hypo-allergenic and anti-bacterial.

MATTRESS BENEFITS:

- It is in medium density foam with 40 holes for ventilation.
 - The part in contact with the baby is covered with bamboo fibre, which is highly breathable, hypo-allergenic and anti-bacterial.
 - A 3D mesh is applied to the base to improve air circulation and prevent the build-up of humidity.
-

(A) STAND-UP

Support for carrycot. Transforms the carrycot into a real bed for the night to put next to the bed of the parents. Also useful for travels in the first few months.

BENEFITS:

- It allows you not to wake up your newborn on the way back from the walk, positioning the carrycot in a hygienic and safe way.
- The car seat can also be attached for short naps.
- Easy to close and stow away. Once folded up, it takes up very little space.

TECHNICAL INFORMATION:

Structure material:	aluminium-polypropylene
Weight:	1.9 kg
Dimensions when open:	56 x 53 x 70 cm (width x height x depth)
Dimensions when closed:	56 x 66.5 x 13 cm (width x height x depth)

(B) CHASSIS

MAIN BENEFITS:

- Incredibly lightweight. Only 5.5 kg. You can easily transport and load it anywhere!
- Once folded up, it is extremely compact, it remains upright on its own and the handle does not touch the ground.
- It opens and closes with just one hand.
- It passes through the narrowest spaces thanks to the small overall dimensions (only 50 cm).
- It is extremely smooth and manoeuvrable thanks to its advanced chassis and ball bearings on all four wheels.
- It adapts to the height of the parent thanks to the height-adjustable handle.

SYSTEM ELECTA - SYSTEM DUO

- The large storage basket has a reflective material profile, to make evening strolls safer.

TECHNICAL INFORMATION:

Structure material:	aluminium-polypropylene
Weight:	5.5 kg
Chassis dimensions when open:	50 x 93-106 x 83-96 cm (width x height x depth)
Chassis dimensions when closed:	50 x 73.5 x 28 cm (width x height x depth)

(C) STROLLER SEAT

DESCRIPTION:

Seat to compose the stroller of the Electa system.

MAIN BENEFITS:

- It comes complete with full cover hood with UV treatment (UPF 50+).
- It easily engages and disengages to/from the chassis in both directions.
- Sandwich folding system to take up minimal space.
- It guarantees maximum comfort for the child:
 - It is equipped with a breathable mesh insert on the back.
 - The stroller seat is wide and padded (51 x 32 cm).
 - The backrest can be reclined in 4 positions to the "sleeping" position by means of a central control.
 - At the adjustable footrest.
 - The padded shoulder straps and the crotch strap avoid the harness rubbing against your child's delicate skin.

ADDITIONAL BENEFITS:

- A mesh insert in the hood ensures proper air circulation around the stroller seat, to keep the area cool and ventilated. Excellent to see your child as you walk.
- The stroller and hood lining are fully removable and can be hand washed at 30°C.

STROLLER accessories:

- **Baby Snug Pad** - a soft cotton head hugger that ensures newborns travel in comfort.
- **Raincover** - protects your child against the rain, but also from wind and snow, and it is full-cover (covering the entire stroller).
- **Summer cover** - during the warmest months of the year, it helps keep your baby cool.
- **Stroller footmuff** - accompanies you during the coldest months, ensuring your baby stays snug and warm while providing ideal protection in the harshest weather.
- **Umbrella** - protects your baby from direct sunlight. Thanks to the large diameter (70 cm) and the flexible handle, it is easily orientable towards the sun's rays.

TECHNICAL INFORMATION:

Structure material:	polypropylene
Lining material:	polyester
Width of backrest:	32 cm
Height of backrest:	54 cm
Width of stroller seat:	32 cm
Stroller seat weight:	3.2 kg
Dimensions of stroller when open:	50 x 107 x 83-96 cm (width x height x depth)
Folded stroller dimensions (towards the street):	50 x 73.5 x 30 cm (width x height x depth)
Folded stroller dimensions (towards the parent):	50 x 80 x 32 cm (width x height x depth)
Stroller weight (stroller seat + chassis):	8.7 kg

SYSTEM TECHNICAL INFORMATION:

System box content:

- Carrycot.
- Welcome Pad® + mattress.
- Stand-up support.
- Stroller seat.

Chassis box content:

- Chassis.
- Storage basket.
- Cup holder.
