Great adventures!

S.P.:

Maior is the high-performance compact and light stroller, with large wheels with excellent shock absorbers and a very generously sized seat to accommodate toddlers and older children too.

MAIN BENEFITS:

- Thanks to the generous size of the seat and backrest, it is ideal for older children, but is at the same time extremely light and compact when folded.
- It ensures maximum thermal comfort for the baby in every season, thanks to the new *All Season* seat that provides complete protection from the cold during winter months and optimal breathability in warmer, muggy weather.
- The back of the hood can be opened to adjust ventilation inside the stroller according to the weather conditions.
- It requires just one hand to open and fold, and remains upright on its own, when folded.
- It guarantees comfortable rides on all types of terrain, thanks to its large wheels with ball bearings and soft suspension.
- It is super accessorized for all seasons. It comes complete with footmuff, raincover and extending hood with UV treatment (UPF 50+).

ADDITIONAL BENEFITS:

- The backrest provides the ideal posture for the baby, whether lying flat or sitting up.
- Equipped with special waterproof zips, to deal with all weather conditions.
- Thanks to the articulated handrail, placing and removing the child is easy.
- The reflective material profile of the basket makes evening walks safer.
- The hood and lining are removable and can be hand washed at 30°C.
