

DESCRIPTION:

Winter footmuff for stroller.

PAY OFF:

Warm and cosy walks

MAIN BENEFITS:

- Ideal for the coldest months thanks to the water-resistant quilted external fabric.
 - Extremely comfortable for your baby, thanks to the soft and warm fleece lining.
 - Practical and functional; it can be used in 3 different configurations:
 1. **Full coverage with integrated hood**, featuring a drawstring to protect your child's face as much as possible.
 2. **Partial body and leg coverage**, thanks to the hood which can be easily detached via a zip.
 3. **Soft winter or mid-season fleece pad**, thanks to the hood and leg cover which can be easily detached via a zip.
- Zips that can be opened from both the top and bottom make it easy to place the child.
 - The non-slip insert maintains the correct position in the stroller.
 - The straps with side buttons are designed to secure it to the seats in Inglesina systems for greater stability.
 - The large slots for the 5-point safety harness make it compatible with all Inglesina strollers and the majority of other products on the market.
 - The reflective material detail makes evening strolls safer.
